

Application No.: 10/506,693  
Attorney Docket No.: 47675-042US0  
First Applicant's Name: Kurt Berlin  
Application Filing Date: 21 April 2005  
Notice of Non-Compliant Amendment Dated: 06 November 2009  
Date of Response: 10 November 2009  
Examiner: Katherine D. Salmon

## REMARKS

Claims 1-4, 6, and 8-15 are pending.

This is a Response to a Notice of Non-compliant Amendment and, therefore, only the corrected non-compliant section of the last Amendment (i.e., the Amendments to the claims) is being presented in this Response.

Specifically, with respect to claim 11, lines 5-6, the unintended phrase "~~tissue, cell type or~~" which was inadvertently recited in Applicants' last Response, has been deleted to conform with the prosecution history of this case.

Additionally, line 4 of claim 11 now recites "measuring~~determining~~" instead of the inadvertent "measuring~~determining~~" to conform with the prosecution history of this case.

Applicants thank the Examiner for the careful analysis of Applicants' last Response and Amendment, and for bringing this to Applicants' attention.

## CONCLUSION

In view of the foregoing amendments and remarks, Applicants respectfully request entry of the present Amendment and allowance of the amended claim set provided herein. The Examiner is encouraged to phone Applicants' attorney, Barry L. Davison, to resolve any outstanding issues and expedite allowance of this application.
